Please note:

Registration of plant must be renewed after 5 years.

Under the OHS Regulations Part 6.2.14, you must advise the Victorian WorkCover Authority within 21 days if any of the following occurs:

- There has been a change of ownership of your registered plant
- Your registered plant is altered to an extent which requires new measures to control risk
- Your plant is relocated and requires commissioning.

Note: Failure to notify the Victorian WorkCover Authority in writing of the above can result in fines.
